Objectives

Motivated and results-driven undergraduate student seeking an internship opportunity to apply analytical, project management, and digital skills in a dynamic and collaborative environment. Eager to contribute to consulting solutions that drive innovation and business transformation.

Skills

- Technical Skills:Web-development Microsoft Excel (Advanced), PowerPoint, Python, SQL, C,Java, JavaScript (basic),
- Soft Skills: Team collaboration, Problem-solving, Critical thinking, Communication
- Languages: English (fluent),Telugu

Education

SRKR Engineering College,Bhimavaram

- GPA: 9.07/10
- **Coursework:** Data Structures, Algorithms, Object-Oriented Programming, Database Management Systems, Web Development

Co-Curricular Activities

- **Clubs and Societies:**
Role in club: Member of SRKR CODING CLUB
- **Competitions and Contests:**
Type of competition: Coordinated in a hackathon held in our college as a team member
- **Workshops and Seminars:**
Participated in a web-development workshop in which I developed a simple project using HTML, CSS, and JavaScript

Experience

Internship, Software Development (Seeking Opportunity)

- Currently seeking internship opportunities to apply academic knowledge in real-world software development projects
- Actively participating in coding competitions and hackathons to enhance problem-solving and teamwork skills
- Gaining hands-on experience in front-end and back-end development through academic projects using languages like Python, HTML, CSS, and JavaScript
- Eager to contribute to a professional team and learn from experienced mentors

Member, SRKR Coding Club – [SRKR ENGINEERING COLLEGE]

Nov 2023 – Present

- Collaborating with peers in various coding challenges and workshops to improve coding efficiency and problem-solving skills
- Participated in organizing coding events, hackathons, and workshops that foster learning and innovation

- Contributed to discussions and brainstorming sessions aimed at improving coding practices and introducing new technologies to members

Participant, Web Development Workshop – [SRKR ENGINEERING COLLEGE]

Aug 19 2024 –Aug 28 2024

- Participated in a workshop on web development, creating a simple project using HTML, CSS, and JavaScript
- Gained hands-on experience in front-end development and the basics of responsive design
- Developed an understanding of web frameworks and best practices for building user-friendly websites

Achievements

Top 10 Finalist,college Hackathon

Aug 2024

Participated as a team member of six in building a web application aimed at enhancing virtual collaboration, achieving recognition in the college.

Best Project, Web Development Workshop

Nov 2024

Developed a responsive portfolio website as part of a web development workshop, which was recognized as the best project in the college.

Cisco Networking Academy

Jan 2024

Successfully completed the Cisco CNA certification, demonstrating foundational networking skills, including network installation, troubleshooting, and security protocols.

Cisco Networking academy

Nov 2024

Achieved Cisco Networking Academy certification, specializing in Python Essentials.

Interests and Hobbies

Technology and Coding Challenges

Passionate about solving complex problems and improving coding skills through participation in coding challenges, hackathons, and competitive programming.

Open-Source Contributions

Actively contribute to open-source projects, collaborating with developers worldwide to improve software and expand my technical knowledge.

Traveling and Exploring New Cultures

Passionate about traveling and exploring new cultures, enhancing my global perspective, and learning from diverse experiences.

Technologies

Languages: C, Java, Objective-C, C#, SQL, JavaScript
